

# Legislative Reforms to Limit or End Child Marriage Since 2016

Updated November 1, 2022

20 states and Washington, DC have yet to adopt any reforms.

Among those, the “worst offenders” are states with:

- No age floor + pregnancy exception → NM, OK
- No age floor + different rules for girls vs. boys → MS

-  Reforms set age floor of 18, no exceptions
-  Reforms limited marriage to legal adults (age 18, or court-emancipated minors)
-  Reforms limited child marriage by setting/raising age floors, setting maximum age differences, and/or instituting or strengthening judicial review
-  No reforms to existing laws, which allow marriage at age 16 and older
-  No reforms to existing laws, which allow marriage below age 16
-  No age floor – if statutory criteria are met, there is no limit on how young a child can be married
